

Why Henry Pump™

	Henry Pump	ESP	Pumpjack
No Rod String	✓	✓	
Low Initial Capital Cost	✓		
Extremely Low Operational Cost	✓		
Efficiently Produces Low Volumes	✓		
Produces Around The Curve at Low Reservoir Pressures	✓		
Economically Produces in Crooked & Deviated Wellbores	✓		
Low Intervention Costs	✓		
Highly Efficient Permanent Magnet Motor	✓		
Low Cost of Deployment	✓		
Efficiently Produces Gassy Wells	✓		
No Dangerous Mechanical Surface Equipment	✓	✓	
Unobtrusive Surface Presence	✓	✓	
Variable Strokes Per Minute	✓		✓
Variable Stroke Length	✓		
High Voltage Not Required	✓		

Revolutionary pumping unit for vertical and horizontal applications
